

PARAGARD IUD ORDERING INFORMATION

The ParaGard is ordered from ParaGard Direct. Our office will fill out all information on the order form except for credit card information and the consent section. We will then fax the form to ParaGard.

The cost of the Paragard is \$754.00. ParaGard will contact you before debiting your credit card and at that time you will let them know if you want a one time payment or monthly payments. Before ordering the ParaGard please check with your insurance company to see if the ParaGard is a covered device. If the ParaGard is covered you will be responsible for filing a claim with your insurance for reimbursement. The ParaGard will be shipped to our office and you will be notified when it arrives.

The ParaGard is usually inserted during your menstrual period unless your physician has instructed you differently. Please call our office when you start your period and schedule a date and time for insertion. Our office requires that the \$300.00 insertion fee be paid at the time of service. We will file your insurance and if there is a refund due we will send that to you as soon as possible.

Fees for the ParaGard device and insertion are subject to change. Please verify when you order.

To have your ParaGard removed there will be a fee of \$168.00 to be paid at the time of service.

If you have any questions or wish to order the ParaGard, please call our office at (434) 237-9250.

Thank You
